

Bank Card Verification Scam Email

Trading Standards have today been informed of a scam email claiming to be from Interswitch Nigeria. The email states that new security measures have been introduced to make transactions more secure. The email will ask you to register your debit card details including your email address and phone number so that a verification code can be either emailed or sent to your mobile by SMS.

A registration deadline is given and a warning that your Debit card will be terminated within 48 hours if this action is not carried out.

If you receive one of these emails you are advised to:

- Not open it.
- Forward it to spoofo@millersmiles.co.uk or reportphishing@antiphishing.org – the subject line may be left blank.
- Further information can be found at: <http://www.millersmiles.co.uk/submit.php>
